Random House Books for Young Readers. Hardcover. Book Condition: New. Pascal Lemaitre (illustrator). Hardcover. 64 pages. Dimensions: 9.1in. x 6.2in. x 0.4in. This new Beginner Book about manic skiing squirrels by J. Hamilton Ray with illustrations by Pascal Lemaitre has the feeling of an old classic read-aloud. Nobody knew how the mania grew. First there was one, and then there were two. Three more came gliding from under the trees. LOOK! On the hill. Those are squirrels on skis! Below lay the town, snow-covered and still. Not a sound could be heard. All was silent, until . . . Swwwishhhhswooped the skiers, all dressed for play. Eighty-five squirrels and more on the way! As you can imagine, the townsfolk are NOT amused. Can intrepid reporter Sally Sue Breeze find out where the squirrels are getting their skis-and make them stop skiing long enough to eat lunch-before pest-control guy Stanley Powers sucks them up in his vacuum device (Dont worry Sally triumphs in a most unexpected way. ) With delightfully understated, funny illustrations by Pascal Lemaitre, this is the perfect book for beginning readers to curl up and chill out with on a snow day or any day! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
