Her young love, first love emotions, take her higher than the high-wire and her freezes on the fact that she wants nothing more in this world than to marry this guy. At the delicate age of fifteen, this presents a few complications - especially when Tony s dream is to become a noted plastic surgeon. And when the families find out about this secret of Danna s to go away with Anthony Richard Damiro the third, to the University of California Medical School, and what to do with Cuddle s, her cat, her brother and this crazy circus life, they all want to join the circus and run away from home. As though Cupid followed them everywhere, even when they tried to get out of the way of his arrows, and wanting not to break the rules, they do fall in love. And while playing pretend parts in the High School Carnival, they experience how deeply growing pains can go-and how much it can hurt to try and fall out of love against their will. They laugh, they cry.have good times and sad times and finally decide to go their separate ways.but not forever.
