John Wiley Sons Inc, United States, 2003. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. Algebra Teacher s Activities Kit is a unique resource that provides 150 ready--to--use algebra activities designed to help students in grades 6--12 master pre--algebra, Algebra I, and Algebra II. The book covers the skills typically included in an algebra curriculum. Developed to motivate and challenge students, many of the activities focus on real--life applications. Each of the book s ten sections contains teaching suggestions that provide teachers with strategies for implementing activities and are accompanied by helpful answer keys. The activities supply students with quick feedback, and many of the answers are self--correcting. Each activity stands alone and can be applied in the manner that best fits your particular teaching program. Algebra Teacher s Activities Kit can be used as a supplement to your instructional program, to reinforce skills and concepts you ve previously taught, for extra credit assignments, or to assist substitute teachers. For quick access and easy use, the activities are printed in a big 8 1/2 x 11 lay--flat format for photocopying and are organized into ten sections.
