Falling dangerously In love Always and every time The only way I know Carol s poetry vibrates with the colors of joy and the scent of sorrow. In her seventh collection of free verse, winter is in the air. The words and photography of the season flow together in a current of icing crystals. Like reading a dream sequence. Powerful writing-dynamic and inspired. There is breath to this work. I savored every line! I stepped into this book and was swept away.Impelling.
