

## Educational Psychology: Developing Learners, Loose-Leaf Version (8th Edition)

Filesize: 9.08 MB

### ***Reviews***

*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).*

## EDUCATIONAL PSYCHOLOGY: DEVELOPING LEARNERS, LOOSE-LEAF VERSION (8TH EDITION)

Pearson, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From reviews of the book: "Rather than simply presenting the necessary content, the author makes you feel like she is talking directly to you. . . . I love that diversity that has been woven throughout the fabric of this text. . . . Ormrod's personalized writing style will reach undergraduate students in a way that few authors can. [The book] is concise, yet thorough; comprehensive, yet unpretentious." --Angela Bloomquist, California University of Pennsylvania 'Compared to other texts, Ormrod's text is written in a more accessible way. . . . Strengths [include] accessibility, good use of supplementary materials, [and] updated research.' --David Yun Dai, University at Albany, SUNY "Love how each chapter discusses diversity and special needs! . . . Most students keep this text throughout their teaching careers as a resource. Of all the educational psychology textbooks that I've used, this one is the most comprehensive and interactive with vivid examples. . . . The supplemental materials are very useful. The power point is extensive and easy to use for lecture. I use the test bank materials and find the questions to be aligned with students' licensure exams." --Cindy Ballantyne, Northern Arizona University.
