Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, Our Land, Our Future: New Approach to Land Use Planning and Management, Food and Agriculture Organization of the United Nations, Dennis Sims, G. Thomas, The mismanagement of the Earth's natural resources is examined in this publication. Areas covered in this overview include land degradation, hunger and poverty, population growth, social and political conflicts and mass migration. The book is based on the idea that continued mismanagement of the Earth's natural resources may lead to greater land degradation and human suffering. It suggests that a strategy that will permit development and conservation is needed and that the starting point is the land itself.
