Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you are thinking about driving Uber, this is the first book you ll want to read. Driving Uber is a practical guide from a new drivers perspective with a special emphasis on a woman s perspective. Attention is paid to the information we want to know like what to wear, fears of picking up strangers and health considerations. Driving Uber begins with getting started and takes the reader and hopefully new Uber Partner right through their first ride. The first ride is explained in the detailed manner that women like and includes a detailed description of using the Uber Partner app, where to find rider information and includes a snapshot of the Blue Beep that you will come to love when you begin driving. You will appreciate the detailed account of an average day driving Uber and the many decisions you will make from the moment you turn the app on to receive riders until you get that first ping requesting a ride. There are many considerations when choosing to drive Uber, this book is a great read for anyone considering driving or who has made the decision to drive but needs a little encouragement to overcome the rampant fears flooding facebook and other forums where driving Uber is painted as dangerous and full of people who want to harm you. Driving Uber connects you with every day people on their way to work, school or a night on the town. There are many good stories about driving Uber and a few are included that will make you smile and hopefully say, I can do this. Driving Uber paints a picture of a noble opportunity and possibly...
