Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Rebellion, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Imagine there was a classic supernatural chiller that Hammer Films never made. A grand epic produced at the studio s peak, which played like a cross between the Dracula and Frankenstein films and Dr Terror s House Of Horrors.Four passengers meet on a train journey through Eastern Europe during the First World War, and face a mystery that must be solved if they are to survive. As the Arkangel races through the war-torn countryside, they must find out: What is in the casket that everyone is so afraid of? What is the tragic secret of the veiled Red Countess who travels with them? Why is their fellow passenger the army brigadier so feared by his own men? And what exactly is the devilish secret of the Arkangel itself? Bizarre creatures, satanic rites, terrified passengers and the romance of travelling by train, all in a classically styled horror novel.
