John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Teachings of the Nephalim: 2012 and Beyond, Theolyn Cortens, Early in 2009 Theolyn Cortens, poet, astrologer and esotericist, well known for her channelling of inspirational messages from angels, started to receive messages from a group of twelve disincarnate Nephalim, the great ones of old, mentioned in biblical texts, who want to offer guidance to humanity during these times of change. The extraordinary material in this inspired book will make a unique and valuable contribution to understanding how human evolution can move us all towards a remarkable future. Theolyn's conversations with the Nephalim confirm that we are supported by invisible elders, or ancestors in our commitment to live in to our highest possibilities. Then we will exist in harmony with each other and with all the other creatures that dwell on our beautiful planet. The spokesperson for the Nephalim is Seth. He explains: Our mission is to remind all humanity that history will not have to repeat itself, if only enough of you take on the full responsibility of your real destiny.
